Bussing

Bussing is not available to the students who attend daycare 5 full days a week (AM & PM). For all other students, schedules must be pre-determined before the school year starts in September. If, a change is to be made during the school year you must notify the school secretary. Your child's safety is our primary concern, when a change is made to their regular bussing schedule.

Registration

Students must be registered to use the daycare services; the registration form may be sent in a PDF to the daycare technician via email or in person during school hours.

Regular daycare Users

A regular daycare user attends daycare on a set schedule. If you change your one day that is pre-determined to a different day of the week this is not a regular daycare attendance, this will be considered a non-regular daycare attendance. The payer is expected to pay for the number of days for which their child has been registered, there will be no reimbursement for days absent.

Pedagogical days

Most ped. days will be spent in the school, and the other days out of the school on a fieldtrip. An invitation letter will be e-mailed to the daycare families 2 weeks prior to the ped. day with all the details along with the cost. Additional fees are not refundable if you requested daycare services.

Homework

There will be a 20 to 30 minute quiet time at 3:55. Monday through Thursday for the grades 1 – 6 students, this time will be used to do a quiet educational activity, reading or homework, we also provide activity books, example word search and other activity books, as a quiet activity, if they do not have homework, or a book to read. Pre-K and kindergarten, will be in a separate room with an educator for story time, and circle time.

Lunches and Snacks

It is up to the parents to provide a lunch as well as an afterschool snack. We encourage healthy eating at St-Jude. Please be sure to include healthy snacks.
